## *What to expect*

---

### A WEDDING DAY YOU CAN ACTUALLY ENJOY

I am here to help you to enjoy your wedding day and serve as your guide, making it what it should be : the happiest day of your life. You want to be able to just enjoy your day while I'll blend into the background to capture those happy and unposed moments, as well as provide support whenever you need it.

You can expect me to be there for you and stick to a timeline. That being said, nothing on a wedding day runs perfectly to schedule. Timelines are built with breathing room. Your job will be to focus on getting married and mine, on documenting it.

## Consultation

---

I love connecting with couples and the process of consultation, whether in person or via phone, will give you guidance, more information and peace of mind as you move forward with planning your big day.

## Contract + Booking

---

Once you are ready to book and select your package, you will need to sign a contract and you will be required to pay 30% non refundable retainer fee to secure your date. The remaining 70% of your balance will be due two weeks prior to your wedding day.

## Final Assets

---

Your final edited portraits will be delivered through Pass Gallery with full rights to download and distribute as you please. The number of edits you receive is based on which service you purchase. Anyone with the link to your gallery will be able to view and download its contents, making your job of sharing images with guests SO MUCH MORE SIMPLE.
